Note: A Certificate of Design Compliance does not give you permission to commence building work. You must submit an application for Building Permit – Certified, and obtain a Building Permit before commencing any building work.

ATTACHED APPLICATION (where applicable)

I have attached a completed **Application for Building Permit – CERTIFIED (BA01)**

Once the City of Mandurah's registered Building Surveyor has issued a Certificate of Design Compliance, please lodge on my behalf, the attached "Application for Building Permit – CERTIFIED", with the City of Mandurah.

_____ Name

_____ Signature

_____ Date

You should be aware that the regulated time period that the City of Mandurah is required to determine the application for Approval/ Permit will not commence until such time that the City of Mandurah has issued the Certificate of Design Compliance.
