

Outstanding Representative Donation

The City of Mandurah provides funding support to local Mandurah residents who are selected to represent their state or nation in sport and recreation activities.

Purpose of Grant

To assist residents of Mandurah with the cost involved with travel and accommodation for interstate or overseas trips associated with selection in a state or national team.

Eligibility

Representatives are eligible if they have gained the highest level of state or national representation in a junior, open, or masters competition and are residents of the City of Mandurah. Representatives are only eligible for this donation once in a financial year. Retrospective funding is not available, applications must be made before the event.

Representatives include athletes, coaches, officials and administrators.

All applicants will be assessed on the following criteria:

- Residency in the City of Mandurah
- Have been selected by the State or National Sporting body to represent Western Australia or Australia
- A clear selection process entitling the person to represent the State or National body must be demonstrated.
- A letter of selection from that State or National sporting governing body
- Representatives in receipt of other sources of funding are eligible as long as there is surplus income from donation.

Grant Amounts

The maximum grant available to representatives if the competition is interstate is \$200.00. Sporting competitions held within Western Australia will only be considered at the discretion of the Manager.

The grant is capped at \$1,000.00 for representatives from the same Club requesting funding for the same competition in any one financial year. This amount will be paid to the Club to be distributed to the applicants.

Application Process

Applications are open all year round. All criteria in this application form must be completed. Applicants must attach a letter from their state or national sporting body to verify their selection.

Applicants may be contacted to clarify any queries regarding their applications. All applicants are advised of the outcome of their application in writing within twenty-one (21) days of submission.
