## Accessibility map

Did you know that there is an accessible pathway for the Mandurah Christmas Lights trail?

Follow the yellow accessibility trail to explore the lights.

While some Christmas light installations are set up on the grass, many lights are positioned along pathways or on solid surfaces, making them easily accessible for even more festive fun.

Find more accessibility information at [mandurah.wa.gov.au/christmas](http://mandurah.wa.gov.au/christmas) including a social story and a communication board to download.
