

# Changing Places

## Improving community access

### What is a Changing Place?

Changing Places are secure, clean facilities for people with disability who need space and assistance to use the bathroom when out and about.

### Changing Places feature:

- a ceiling hoist
- adult-size change table
- room for two support people

Changing Places are unlocked using a Master Locksmith Access Key (MLAK). The key keeps the Changing Places secure, safe and reserved for people who need them. If you are a Companion Card holder you automatically qualify for a free MLAK. If you aren't a card holder, you may still be eligible.

Please contact National Disability Services to enquire.
