to set fire to the bush at property address:

Once issued, this is a seasonal permit allowing the burning of material in quantities as detailed below from 1 May 2024 to 31 October 2024 (inclusive) subject to the requirements detailed within this permit.

NOTE: This permit is issued subject to the provisions of Section 46 of the Bush Fires Act 1954

- It is NOT valid during a declared prohibited burning time or
- When the weather forecasts are 'high, extreme or catastrophic'.
- **NO RUNNING BURNS ARE PERMITTED**
- Do not burn in winds greater than 20km/h and relative humidity should be greater than or equal to 40%
See Bureau of Meteorology at www.bom.gov.au
- In addition to compliance with all conditions, this permit may be revoked or suspended by a Bush Fire Control Officer at any time, if, in their opinion, the fire, if lit, would become a source of danger.
- **ACTION IS REQUIRED IMMEDIATELY SHOULD YOU RECEIVE NOTIFICATION OF REVOCATION OR SUSPENSION.**

A Bush Fire Control Officer is not compelled to inspect an area to be burnt prior to the issue, retraction or suspension of a permit to burn. The onus lies on the person burning not only to comply with the provisions of the Bush Fires Act 1954, but also to ensure that there is no danger of fire escaping. The issue of this permit in no way affects that responsibility.

Notifications to the following authorities of your intention to burn are **REQUIRED** prior to burning:

Herron Bouvard Dawesville	DFES (08) 9395 9209 DBCA (08) 9303 7700
All other localities	DFES (08) 9395 9209

Fire permits are issued only to properties of 4000m² and above.
Carefully read all conditions and ensure you understand your obligations as a permit holder by ticking the conditions relevant to your property size:

Conditions for properties greater than or equal to 4000m ² up to 20,000m ²	
Burn dry garden refuse only	
Burn only one fire at any one time not to exceed 2m ³	
3 able bodied persons in attendance any time fire is alight	
Established or access to water supply - water hose to reach extremities of fire	
Rakes, shovels as necessary	
Provide notice to adjoining neighbours at least 24 hours prior to burning	
Fire to be set away from overhanging trees and branches	
Ensure 5 metre clearance of bare ground around fire	
Do not burn when fire weather forecast is high/extreme/catastrophic	
Burning is not permitted in winds greater than 20km/h in the locality as noted on the Bureau of Meteorology website at bom.gov.au and relative humidity should be greater than or equal to 40%	
Fire must be completely extinguished prior to leaving fire site	
Burning of grass trees is not permitted	

Conditions for properties 20,000m ² and over	
Dry wood or garden refuse only	
Burn only one fire at any one time not to exceed 3m ³	
3 able bodied persons in attendance any time fire is alight	
Minimum 450 litres of water supply	
5hp Pump or access to established water supply	
2 reels of 30 metre water hose to reach extremities of fire	
2 rakes, 2 shovels, 1 axe	
Provide notice to adjoining neighbours at least 24 hours prior to burning	
Fire to be set away from overhanging trees and branches	
Ensure 5 metre clearance of bare ground around fire	
Do not burn when fire weather forecast is high/extreme/catastrophic	
Burning is not permitted in winds greater than 20km/h in the locality as noted on the Bureau of Meteorology website at bom.gov.au and relative humidity should be greater than or equal to 40%	
Fire must be completely extinguished prior to leaving fire site	
Burning of grass trees is not permitted

Date

By signing this document, I agree that I have read and understood all the conditions set out in this permit.

Submit your completed application by email to ranger.admin@mandurah.wa.gov.au. Approval may take up to 4 business days. Should you have any enquiries please contact City of Mandurah on 9550 3777 or by the above email.

Approved by Bush Fire Control Officer:

Date approved:

Section 18

(6) Subject to this Act a person shall not set fire to the bush on land within a zone of the State during the restricted burning times for that zone of the State unless –

(a) he has obtained a permit in writing to burn the bush from a bush fire control officer of the local government in whose district the land upon which the bush proposed to be burnt is situated, or from the chief executive officer of the local government if a bush fire control officer is not available; and

(b) the conditions prescribed for the purposes of this section are complied with in relation to the burning of the bush.

(7) The person issuing a permit to burn under this section may, by endorsement on the permit –

(a) incorporate therein any additional requirements and directions considered necessary by him relative to the burning; or

(b) modify or dispense with any of the conditions prescribed for the purposes of this section in so far as those conditions are applicable to the burning.

(8) The holder of a permit to burn under this section –

(a) shall observe and carry out any requirement or direction incorporated, therein pursuant to subsection (7)(a) of this section;

(b) shall, where any prescribed condition is modified pursuant to subsection (5) or subsection (7)(b) of this section, comply with that condition as so modified;

(c) need not comply with any prescribed condition that is suspended or dispensed with pursuant to subsection (5) or subsection (7)(b) of this section.

(11) Where a person starts a fire on land, if the fire escapes from the land or if the fire is in the opinion of a bush fire control officer or an officer of a bush fire brigade out of control on the land, the person should be liable to pay to the local government on the request of and for the recoup to its bush fire brigade, any expenses up to a maximum amount of \$10 000 i.e ten thousand dollars incurred by it in preventing the extension of or extinguishing the fire, and such expenses may be recovered in any court of competent jurisdiction.

(12) A person who commits a breach of this section other than subsection (11) is guilty of an offence.

Penalty: For a first offence a fine of \$4 500; for a second or subsequent offence \$10 000.

Regulation 15B

(1) Subject to the Act a person who has obtained a permit to burn the bush under section 18 of the Act (in this regulation called 'the permit holder') shall comply with the conditions set out in this regulation in relation to the burning of the bush.

(2) The permit holder shall give notice of his intention to burn the bush upon land, or upon a part of land, to-

(a) the chief executive officer or a bush fire control officer of the local government in whose district that land is situated; and

(b) the owner or occupier of all land adjoining that land; and

(c) a forest officer if the bush is situated within three kilometres of forest land; and

(d) an officer or employee of each notifiable authority (if any), being an officer or employee who is apparently authorised to accept that notice.

(3) The period of notice required under sub regulation (2) of this regulation shall not be –

(a) more than twenty-eight days; or

(b) less than four days unless the notice is given verbally in which case the minimum period of notice may be determined by mutual agreement.

(4) Notice required to be given to an owner, occupier or other person under sub regulation (2) of this regulation may be given by any of the following methods –

(a) by verbal communication or in writing as will ensure (except in the case mentioned in paragraph (c) of this sub regulation) that every owner, occupier or other person is made aware of the intention to burn and the date and time thereof; or

(b) by delivering it at the premises on which the person to whom notice is to be given, lives or carries on business or by leaving it with a person who is apparently over the age of sixteen years who resides or is employed on the premises; or

(c) in the case of an owner or occupier of adjoining land who is not at the time residing on the adjoining land by posting, not less than eight days prior to the first day on which it is intended to burn the bush, the notice by prepaid letter addressed to the last known place of abode or business of the owner or occupier.

(5) A notice given under sub regulation (2) of this regulation shall contain full particulars of the locality where the bush proposed to be burnt is situated.

(6) Before setting fire to the bush the permit holder shall arrange for and provide, in order to assist in keeping the fire under control and preventing it from spreading beyond the land on which the burning is to take place, at least three able-bodied persons who shall be constantly in attendance at the fire from the time it is lit until no burning or smouldering fuel is within thirty metres of the perimeter of the firebreak surrounding the burnt area or, if there is no such firebreak, within thirty metres of the perimeter of the burnt area.

(7) Where for any day, or any period of a day, specified in a notice given under sub regulation (2) of this regulation the fire danger forecast issued by the Bureau of Meteorology in Perth in respect of the locality where the bush proposed to be burnt is situated is either 'high', 'extreme' or 'catastrophic', the permit holder shall not burn the bush in the locality on that day or during that period but may burn the bush in the locality on the first day next following that day or that period on which the fire danger forecast issued by the Bureau of Meteorology is below 'high'.

(8) The permit holder shall not light a fire to burn the bush on a Sunday if the burning of bush on Sundays is for the time being prohibited in the district in which the bush is situated pursuant to regulation 15C(1) of these regulations.

(9) The permit holder shall not light a fire to burn the bush on a day that is a public holiday in the district in which the bush is situated if the burning of the bush on that day is for the time being prohibited in that district pursuant to regulation 15C(2) of these regulations.
