## STATE GOVERNMENT WELCOME

Welcome to the Peel region for the 2017 Channel 7 Mandurah Crab Fest presented by LiveLighter.

This popular event highlights Mandurah's laidback coastal lifestyle and attracts more than 120,000 locals and visitors to enjoy food, entertainment and a number of fun family activities.

It is pleasing to see the festival expand its program to include new events this year such as the Crab Boil, which will feature a delicious selection of seafood, and Dinner under the Stars with Fervor, a unique pop-up Australian dining experience. Both these events are expected to ignite the taste buds of festival goers.

Crab Fest is proudly supported by the State Government through Tourism WA's Regional Events Program, made possible by Royalties for Regions.

Tourism is a vital industry for regional Western Australia. In the year ending September 2016, visitors spent \$9.6 billion in the State, including \$4.3 billion in regional areas.

Events such as Crab Fest are important because they provide significant economic, social and cultural benefits to regional communities, making them exciting places to visit as well as great places to live.

We encourage all visitors in the region for the event to take the time to explore Mandurah and the Peel. Located less than an hour south of Perth, the region is renowned for its stunning waterways, national parks, bushwalking trails and adventure activities.

We hope everyone enjoys the festival and their time in Mandurah.

Food has a magical way of bringing people together and that's the intention of The Fish Trap.

This new cook book celebrates Mandurah's food culture bringing together a range of local recipes from our city's chefs plus some delicious dishes combining local produce by personalities from a little further afield.

Only \$20 each with part proceeds going to local FoodBank (Peel Branch)

## EMMA BLYTH

Emma's inspiration for the 2017 artwork has taken a nostalgic feel,

*"I have some great memories of the Old Bridge, catching herring and prawns, plus the odd blowie with my Pop. Actually, to tell the truth I think it was mainly blowies, but hey, we all know they were a lot of fun".*

This original artwork will be auctioned off and proceeds donated to charity so place your bids now at [crabfest.com.au/auction](http://crabfest.com.au/auction)

See Emma at Crab Fest or visit [emmablyth.com.au](http://emmablyth.com.au)
