POLICY

Libraries and Learning

Policy Objective:

To demonstrate commitment to the provision of free and accessible library services and learning opportunities.

Policy:

The City of Mandurah is committed to providing Library services and fostering Learning opportunities that encourage creativity and growth.

Through Libraries and Learning programs the City will provide high quality resources to inform the community and support lifelong learning. In the context of the City's Community Charter, we are committed to developing our libraries as centres of community activity and places where people and ideas are brought together in a free and tolerant environment.

The City recognises that Libraries and Learning services are provided in partnership with the State Government. The City will be active in ensuring that this partnership remains relevant and effective.

Through Libraries and Learning initiatives in Mandurah we aim to offer

- Ease of access for all users
- Equality of service for all
- Comprehensive and well-balanced collections
- Well trained, committed staff who are courteous and helpful
- A fair and impartial service that ensures privacy
- Welcoming and safe facilities
- Appropriate technology that enhances services
- Continuous improvement in services
