

## City of Mandurah Facility Information Guide

# Lakelands Community House

Corner Dalona Parkway and Jasper Way Lakelands

### General Description

- Lakelands Community House is a contemporary residential house that has been adapted for shared use by local residents and Peet Ltd land sales office.
- The house has a spacious open plan family room (pictured) ideal for large group functions or meetings.
- Also there is a small meeting room which houses Lakelands Pocket Library. It can be used for reading or for meetings.
- A well equipped modern kitchen is great for cooking or just making morning or afternoon tea.
- The backyard is beautifully landscaped with a decked cabana and a large sandpit which is an ideal play area for young children
- The house is suitable for many activities including formal and informal meetings, playgroup, arts and craft activities and cooking.
