

Street Tree Requests

The following information is provided to answer your questions regarding the supply of street trees within City of Mandurah. This information sheet should be read in conjunction with the City of Mandurah Street Tree Responsibilities and Maintenance Information Sheet.

1.0 Supply of Street trees

How do owners obtain trees for the verge?

The City will provide and plant trees on the street verge upon completion of an application form by the property owner.

Requests for street tree planting are accepted all year round but will only be implemented during the winter planting season between May and July. Requests received after April 31 will be scheduled for the subsequent planting season.

In order to establish a consistent streetscape, street tree species will be allocated by City officers in accordance with existing or intended street tree themes.

Please note that the quantity, location, alignment and spacing of street trees provided for your property, will be elected by City Officers, dependent on the site assessment.

2.0 How to Submit your Street Tree Application

Your street tree application can be completed in a few simple steps.

- a) Complete your property and contact details in the section noted for completion by the property owner.
- b) Detach the form below and submit to the City of Mandurah by mail to the details noted on the top of the form. Alternatively you can hand deliver your form to the City of Mandurah Administration Offices located at 3 Peel Street Mandurah.
- c) Prior to processing your request a City officer will contact you and advise of the nominated street tree species, quantities to be planted and anticipated planting timeframe.

Complete this form and return to:

Works and Services, PO Box 210, MANDURAH WA 6210
