## CHALKE, Bradley

G'day, my name is Brad Chalke

I'm passionate about Mandurah, and our City's potential. That's why I want to see our Council doing everything it can to deregulate trading hours, cut red tape and breathe some life back into Mandurah in the process.

I'm determined to bring openness and transparency to local government. That's why I want to look again at the question of live streaming Council meetings, so that you, the ratepayers of Mandurah, can see what your elected officials are up to from the comfort of your own home.

And I'm committed to being available to constituents here in the Coastal Ward, to ensure that your voices are heard and your concerns are listened to.

It's time for the council to start working for the ordinary resident. It's time for change. It's time to unlock Mandurah, and the key to that is a vote for Brad Chalke!
