## WOODAGE, Adam

We live in a beautiful vibrant city and it is up to all of us to play a part in the progress we make together as a community. That's why I'm standing for Council, to build on our achievements so far and to bring in new, fresh young ideas.

I am lucky to live here in Dawesville with my wife and three young children who all attend local schools. Having previously been a FIFO worker I know the demands this can place on families. Our community supports many such families and I want to ensure that our Council continues to look at opportunities to support families, young job seekers and those less fortunate than me.

We face many issues, high youth unemployment, homelessness and drug related crime. I feel that as a young family man I am best placed to represent you on council. I need your vote
