YATES, James Lee

I have lived in Mandurah for two decades. I served the community as a police officer. I was a business owner and Director. I'm aware of the social, economic, environmental and crime issues. I'm passionate about our community and eager to use my experience and knowledge to serve Mandurah.

I have worked in corporate settings with others to achieve outcomes. Audits, budgets, legislation requirements, policies and researching issues are things I enjoy. Leadership with integrity and service delivery with dedication is what I give.

I'm a military veteran, which demonstrates a history of service to bigger things than myself. I've done volunteer work with the government Parent Drug and Alcohol Peer Support program. Recently, I served as secretary to the Medically Retired WA Police Officers Association.

I hold a Bachelor of Arts degree and a Graduate Diploma. Three Police Commendation Awards including the WA Police Star Medal.
