## JONES, Shane

For 30 years my wife and I have lived in Mandurah, we're local and have 3 children and one granddaughter. As Councillor for the last 12 years I have worked hard to represent you. My experience means I understand the community's needs and expectations.

Community safety is my biggest priority. People need to feel safe and we need to protect our unique waterways and local environment with sensible planning and traffic management.

I support local tourism, our local Arts groups and small businesses. We need to promote activities that create jobs. I've always been there for community groups, sporting organisations and our local volunteers, who are the backbone of our city.

I promise to keep working hard for you and your family. To be honest, humble and I'll continue to listen to my community. I'm committed to doing everything I can to make Mandurah a great place to live.
