## WILKINS, Daniel

Mandurah has been a part of my life for over 35 years. We holidayed here as a child, before relocating in 1989 when my Dad set up an exhaust shop. I did my schooling at Glencoe and Coodanup and now raise a family of my own in Dudley Park.

As a father of two young children, I know the challenges facing families and will fight to keep rate increases to a minimum. Rising crime needs to be addressed and advocating for more police is important. But I also believe reconnecting neighbourhoods can help prevent crime and improve community safety.

I will support the continual improvement of infrastructure, job growth and youth training opportunities. Also upgrades to our neglected parks and reserves, including the Coodanup Foreshore and Blackwood Reserve.

New representation and a fresh voice will enable our already great community to grow and develop.

Vote Daniel Wilkins for East Ward.
