

Candidate Details

District	City of Mandurah
Candidate Name	Mark Alexander BRZEZINSKI
Ballot Paper Name	BRZEZINSKI, Mark Alexander
Nominating for	Councillor for North Ward
Election Type	Ordinary

BRZEZINSKI, Mark Alexander

Born in Perth, aged 59, lived in Mandurah 45 years. Attended the Universities of WA and NSW, multi qualified, self employed at 23 and retired by the age of 43 as a highly successful and respected Optometrist in Perth. Undergraduate studied in electrical and mechanical engineering and economics as well as being a cattle and cropping farmer and commercial pilot. In the past two years locally I have initiated two large underground power projects employing dozens of people which improved safety at a northern beaches toilet/shower complex and I am currently involved in a study for safer parking in the adjacent car park as well as consistently championing the Lakelands train station project. I have always stood for well planned employment opportunities complemented with training and education as well as well thought out safer community environments. Council needs a more tech educated and business experienced base.
