UNLOCK MANDURAH

I'm Matthew Thompson, a 32 year old Lakelands resident, committed to unlocking our City's potential.

I want to unlock our economic potential, by standardising our shopping hours to match those in the greater Perth area. We should have the same retail choices as our neighbours.

I also want to unlock the potential of our young people, to ensure that they have great facilities here in Mandurah as they grow, and real local job opportunities when they come to enter the workforce.

I want what I suspect we all want; a better, brighter future in a City that looks out for its residents and their needs. A Council that listens to residents, and puts their futures first.

You can follow me on Facebook, or on my campaign website;

I'm always happy to hear from you!
