## TOMLINSON-BELL, Gregg

Mandurah is a beautiful city and a great place to live, but we all know things could be better if we focus on reducing crime, creating better amenities and protecting the environment and our well loved waterways.

I have grown up in Mandurah and lived here for the past 15 years. I would like to serve to help make Mandurah a more vibrant city. I work locally and have professional experience dealing with companies such as BHP Billiton and Alcoa.

Mandurah's greatest asset is its estuaries and nature. This must be preserved for future generations.

I volunteer at our local Mandurah City Football Club and have been deeply involved in the organisation's youth development.

If elected, I will fight hard to represent your voice on Council. I will seek to deliver better services and facilities, slash wasteful spending, keep rates at inflation level.

I ask for your trust and support.
