Nominating for	Councillor for Town Ward
Election Type	Ordinary

---

## BURBIDGE, Hayden

I love my local community. As a resident of Mandurah since 2011, I'm invested in your future and the growth and development of our community. I'm an advocate for positive, moral and ethical change. The future of our community needs increased economic and employment opportunities, local business growth, increased health and community services, and increased safety and security of our neighbourhoods.

As owner of SportsPower Mandurah and Falcon, I'm known as a community leader. After 5 years of business in the Peel Region, I understand the local marketplace and the values and concerns of the residents.

Qualified in Business Management and with 20 years of business experience having worked for global wholesale, retail and security companies, I'm well suited to the role of Councillor.

I'm a loving husband and father of two daughters. I have refereed State Basketball for more than 10 years, enjoy surfing, mountain biking, snowboarding and travel.
