---

## ROWLANDS, Lynne

I am a Registered Nurse, Christian, 5th Generation Mandurah citizen. I have served our country in the Army & Airforce, been involved directly and indirectly in mining for many years and served as a Law Enforcement Officer. I have served the community at the Peel District Hospital and have been on both sides of our Emergency/Accident department. I have looked after the Seniors, Disabled, Mental Health, Alcohol Abused, Drug Addicted and generally unwell patients and children for 20 years. I am also a business owner in Mandurah for 14 yrs and I understand the frustrations and rewards of Small Business in our Mandurah area.

I have watched Mandurah change from 2,000 people into a thriving City of 86,000 citizens. I have a genuine heart for the Mandurah community and their welfare. I believe that "Nothing is Impossible" it just takes a little longer! Let me be your voice!
