What we fund

Before submitting a grant application, it is important to understand the types of activities and initiatives we fund and those we do not.

We fund expenditure items that are directly related to the proposal. We do not fund operational expenses that are considered as ongoing costs such as rent, utilities, wages and personal expenses.

The grant funding can be used for the following activities:

- Project stimulates sustainable economic growth
- Project's capacity to increase sustainable local job growth
- Project attracts or diversifies Mandurah industry (from new or established enterprises)
- Project's alignment with [Strategic Community Plan 2020-2040](#) initiatives

Examples included, but not limited:

- New product added to existing service or production
- Business Expansion
- Automatisation
- New technologies
- New equipment

What we don't fund:

The grant funding can not be used for the following:

- Land and property acquisition
- Buildings or extensions, alterations or improvements to a building
- Purchase of vehicles
- Internal research and development activities, marketing and advertising activities
- Employment of staff or payment of wages
- Operational overheads (such as rent, insurance, phone, internet)
- Activities for which funding has been provided by State, Federal or Local Governments
- Retrospective activities - the funding for the program or activity must occur during the grant period and must not have been undertaken prior to submitting a grant application
- Support legal action or legal fees
- Use of consultants must be at arm's length from the applicant
- In-kind contributions
