As Greenfields Primary's principal, a Mandurah Basketball Assoc board member and ratepayer, I'm dedicated to a thriving community with access to well-maintained facilities, responsible budgeting of public money, low rates and support for small business by encouraging Council to buy local goods and services.

My wife, four children and I enjoy Mandurah's lifestyle. I support vibrant, local events that bring us together and sustainable environmental practices for future generations that enhance tourism.

Safety is paramount. I'll prioritise modern measures to foster secure neighbourhoods where seniors, families and youth can flourish, ensuring safer roads and transport options that open up access to local recreational facilities.

I'm committed to education and collaborating with institutions and businesses to create local jobs that strengthen our economy.

I know the importance of listening to others and, as an experienced leader, am dedicated to progress, safety and success for our community.
