I, **Ahmed Zilani** your current **Full-Time Councillor** since 2019 & **Your Trusted Voice on Council**. Through my leadership, I've successfully worked for the people of Mandurah. Voicing your issues, concerns & overall giving you a seat at the table. I act for all residents, making sound decisions to ensure the best facilities & services are delivered. I work "outside the box". I know how to get the job done. I have a proven record of success.

## My major achievements since 2019 include:

- ✓ Successfully campaigned & delivered the Lakelands Train Station as promised
- ✓ Successfully campaigned for 14 new police officers for Mandurah as promised
- ✓ Delivered a 0% rate increase for 2020/21 & always lobbied to keep rates low
- ✓ Delivered much-needed extended retail trading hours
- ✓ Delivered the much-needed Tree Management Policy

I have been an Australian Citizen since 2002, living in North Ward with family since 2012, Bachelor of Electrical Engineering (Distinctions) from USA, 20+ years business skills; highly experienced in Financial Management & Strategic Planning.

## If re-elected, I will lobby for:

- > a Skate Park in Lakelands;
- > an enclosed dog park in the North Ward;
- > keep rates as low as possible;
- ➤ live-streaming Council meetings for Transparency & Accountability;
- > build a footbridge connecting Madora Bay & Lakelands;
- > protect our unique waterways, coastline & biodiversity of bushlands; and
- redevelop Peel Health Campus on an urgent basis.

I promise you that I will not stop fighting until the WA State Government fulfils its promise to us. I will not let them treat Peel Health Campus like the Lakelands Train Station which they took 20 years to build. A vote for me is a vote for redeveloping Peel Health Campus on an urgent basis. Your vote is my strength. My win as a Councillor will send a strong message to the WA State Government to redevelop the Peel Health Campus urgently.

I request you to consider putting a "1" beside my name on the ballot paper. I always work for you & work with you.
