Dear Resident

The City of Mandurah is exploring future options for Leighton Place to ensure it continues to meet the needs of local residents, as part of the broader Western Foreshore area.

As someone who lives in the immediate area, your insight is especially important. We're inviting you to a dedicated community presentation to share current traffic modelling and discuss possible road modification options that could improve safety, function and accessibility for all.

**Presentation Details**

**Date:** Wednesday 30 April 2025

**Time:** 6pm – 7pm

**Where:** Tuckey Room, City of Mandurah Civic Centre, 83 Mandurah Terrace

At this session, you'll have the opportunity to:

- Review traffic data and modelling outcomes
- Understand proposed local road network changes and their impacts
- Share your feedback and ask questions in an open, respectful discussion.

Your feedback will help shape decisions that affect your street and neighbourhood. We hope you can join us as we plan for the future needs of local residents.

Warm regards,

**City of Mandurah**
