

SHOW YOUR SUPPORT

The City of Mandurah will host the 2018 Australasian Police and Emergency Services Games (AP&ES Games) from Sunday 28 October - Saturday 3 November. Over 3000 serving, retired and volunteer law enforcement and emergency services personnel will participate in 50 sports. The AP&ES Games provide a unique opportunity to strengthen the relationship between members of our community and our emergency services personnel.

As a result, there are a number of unavoidable road, car park and water closures.

We invite you to show your support for our local law enforcement and emergency services personnel as they run, ride, swim, throw and catch during the AP&ES Games. Download a good luck sign from the website, cheer from the sidelines, and get out into the community every evening!
