

All food handlers need to have skills and knowledge in food safety.

FoodSafe® Online is a Food Handler Training Program for individuals. This is a fully online course with training videos and questions. A certificate is available for download once the course has been completed.

The City has provided a voucher code which allows food handlers and residents within the City of Mandurah to purchase this training for FREE.

To access the training, follow these steps:

- Visit <https://www.ehawa.org.au/events/category/foodsafety-online-43>
- Select **FoodSafe® Online**
- Select **Submit** (don't worry about the price showing as \$35, this will be waived later in the process)
- Enter your details, then select **Next**.
- Select **Complete Order** (don't worry about the price showing as \$35, this will be waived later in the process)
- Enter the billing details (no fee will be charged) then select **Next: Shipping Method**
- Beside Redeem Online Voucher, enter the discount voucher **FSMANDU347** (don't worry about the pricing showing \$35. Please make sure you have not copied any spaces)
- Select **Next: Payment Details**
- The total price of the training will charge \$0.00
- Select **Submit Order**
- Instructions will be sent to your email address. Follow the link to access the course.

- Select **Sign-in with Environmental Health**
- Select **Click to enter this course**.
- Select **Enrol me**.
- Follow the instructions to begin and complete the course.

A printable certificate will be provided when the course is successfully completed. Please keep this certificate for our records.
