Notes:

New fee structure developed and recommended for simplicity and consistency. Previously, clubs have been charged varying rates depending on the reserve / park that they hire. This new approach is based on the standard of lighting available (lux levels) and does not differentiate between the various lighting systems installed.

Fee Guidelines:

50 Lux - Base Rate

100 Lux = 50 Lux + 10%

150 Lux = 100 Lux + 10%

200 Lux = 100 Lux + 20%

300 Lux = 200 Lux + 75%
