Access means that everyone can use it

Inclusion means that no one is left out

As an **Advisory Group**, we help the City to

and

- make things better for people with disability

The Group Rules help us to know what to do

We also call the rules our **“Terms of Reference”**

Goal 3

To make sure information is given to the **Mayor and Councillors**

The people who make the decisions

Goal 4

To help with the review of the City’s Access and Inclusion Plan

Goal 5

To help the City find out the things that are important

- to people with disability
- and
- the people who support them

Goal 6

To talk to staff across the City about access and inclusion

Group Meetings

Group members meet

- every 2 months
