

Home Library Service

Do you know someone who would like to use Library Services, but is no longer able to attend the library due to disability, illness or limited mobility?

Library Services offer fortnightly and monthly deliveries of books, DVDs, Music CD's, magazines and audio books. Deliveries run monthly and fortnightly on Tuesdays and Wednesdays.

To enquire about home library service, visit or contact the Mandurah libraries by phone, or email the home library service team to receive a request form. Fill in and return the completed request form, tell us what you like to read, watch and listen to, and a team member will pack and deliver the items to you.

Book Clubs

The Mandurah Libraries collection features over 80 Book Club sets. Each Book Club set includes 10 copies of the book and several book reviews. With fiction and non-fiction titles in a range of genres, there are lots of options to keep any book club busy!

Join one of the book clubs that meet in one of the three library branches or start your own private Book Club! Book Club sets are borrowed for \$28.50.

Seed Library

The Seed Library is a collection of free seeds that you can use to plant, grow and enjoy at home, there are two seasons in which seeds are offered Autumn and Spring, so they change regularly. The seed library includes herbs, vegetables and flowers.

Savings seeds is collecting seeds from plants to grow them next season. Save some seeds for yourself and then place the remaining seeds in labelled containers. Bring your labelled seeds back to the library.
