

EXPRESSION OF INTEREST

The **Mandurah WayFairer Project** will help you as an individual to contribute to local community life by gifting your time and sharing your knowledge, experiences and skills. In doing so your contribution will help address a need within the Mandurah community.

The Mandurah WayFairer Project will strategically utilise the knowledge, talents, skills, experience and interests of **adults aged 50+ (also known as WayFairers)**.

A **Community Analysis** will be done with community clubs, groups, schools, not-for-profits and local organisations to identify their needs.

By matching the *WayFairers* with the most appropriate community groups, *WayFairers* can use their knowledge, skills, talents and interests in a meaningful way to help the community by gifting their time in manner that is convenient and enjoyable.

WayFairer forums, where interested community members can attend, will be held throughout the whole project. The WayFairer forums will help us understand you, your interests, skills, experiences, and knowledge to enable us to match you with a community club or group. This is also an opportunity to meet like-minded people and create further connections with the community.

WayFairers will have the opportunity to increase their sense of belonging, build relationships with others, contribute meaningfully and have a valued role within the Mandurah community.

As a *WayFairer*, all group and individual sessions will be a great social opportunity to share stories and experiences.

Please provide some information about yourself and why you would like to get involved.

Full Name:		DOB:	
A little bit about yourself: Some info on your involvement in the community, work and anything else of interest (max. 150 words)			
Employment Status: Are you currently involved in paid work? If so, in what capacity?			
Recent Employment history: What roles/tasks have you had in the past?			

Interest/hobbies: What do you enjoy doing in your spare time and what interests you in the community? (max. 150 words)			
Commitment level: How much time could you commit to per weekly and are there any restrictions or considerations we should be aware of? (max. 150 words)			
Contact Information: Please provide us with your email address and contact number.	Email:		
Any additional comment or information you would like to add? (max. 150 words)		Do you give the WayFairer Project team consent to use your photo for a Case Study or other marketing opportunities?	Please circle Yes / No

Being part of the *WayFairer* project means being part of a group of *WayFairers* that all go through a similar process together. This process ensures profile set up, feedback, matching and sharing of information is done to achieve the best possible results. The following will be done with all *WayFairers*;

- Knowledge, skills and experiences mapping
- Identifying talents and interests
- Optional face-to-face meetings
- Group session with all *WayFairers* together
- Support throughout the project
- Development of case studies with individual *WayFairers*
- Matching *WayFairers* with relevant community organisations

The Mandurah WayFairer Project will help foster meaningful connections between adults aged 50 and older and their community.
