Candidate Name	Adriana Antonia Jacoba Maria GREEN
Ballot Paper Name	GREEN, Jenny
Nominating for	Councillor for Coastal Ward
Election Type	Ordinary

GREEN, Jenny

My family has resided in Dawesville for the past 35 years so I am aware of the significant growth to the region. I am a qualified Psychologist and have worked in both government and private sectors and am presently a Board Director with Forrest Personnel-Disability Employment. I have experience as a Councillor (City of Busselton) so I understand the commitment to be an accountable and approachable Councillor. I support projects that will benefit residential, business, and tourism needs and collaborate with initiatives that promote economic growth within the community. Mandurah's residential community is expanding and will require strategic planning to provide the necessary infrastructure to make it a vibrant and safe place to live, work, and play. As a ratepayer, I am keen to maintain low rates so will work toward a responsible council budget. If elected, I intend to apply myself to the position in a full time capacity.
