## DI PRINZIO, Candice

Mandurah is ready for change and fresh leadership to represent the people, places and community of Mandurah's south.

I'm a Falcon resident, am raising a young family and for over 16 years have grown a successful career with my family's local business.

As Chairperson of community group Shape Mandurah, I have a passion for activating our city and providing residents with a voice.

I understand the importance of leadership and bringing people together to combat challenges faced by residents and local businesses.

Sensible governance, local engagement and transparency will be key to ensure our community thrives.

I'm passionate about creating local jobs, growing our economy, boosting tourism, ensuring community inclusion, activating dull areas (with artwork, family friendly events and activities etc) and protecting our natural environment.

I'll work tirelessly to be your trusted voice and make the hard decisions in the best interests of our community.
