District	City of Mandurah
Candidate Name	Donald Jeffrey PEMBER
Ballot Paper Name	PEMBER, Don
Nominating for	Councillor for East Ward
Election Type	Ordinary

PEMBER, Don

I have lived in Mandurah since 1988, my family includes, my partner, two daughters and four grandsons. Our city is going through a major change as the population increases, I believe I am the person who has the time, passion, experience and understanding to take this city forward.

My main business experience in Mandurah was leading Coolibah Caring from a struggling aged care facility with ten staff, to over one hundred and fifty staff on my retirement, including major cash reserves, and land purchased for future development.

I was recognised with an International award for that achievement.

I am Chair, Peel Health Campus Community Board, Advisor Peekaboo Dog Rescue and Welfare.

East Ward residents deserve a safer place to live, better Hospital Services, fewer rate increases, more community facilities such as a Skate Park for families, plus CCTV, along with support for small business, to ensure Mandurah continues to grow.
