ZILANI, Ahmed

Rates Freeze, More Jobs, Less Crime! Let's get Mandurah back to what we all know it can be! I'm 54, Australian citizen for 17 years, permanently living Mandurah with family since 2010, bachelor degree (Distinctions) in Engineering from USA, over 25 years professional business skills; highly experienced in negotiations, local governance, financial management, strategic planning and waste management. Mandurah is a magnificent place to live and raise family. We have pristine beaches, nature reserves. Rapidly growing North Ward offers vibrant, engaged community. Unfortunately, Mandurah gradually losing its reputation (drugs, crimes, homelessness) which needs fresh faces who will work outside the "box" with new ideas and enthusiasms. I'll be your full-time councillor. My priorities will be community safety, action on hoons, encouraging job opportunities, enclosed dog park, build Lakelands Train Station urgently, more funds for Peel Health Campus, footbridge near Lakelands Shopping Centre, always putting the needs of residents first.
