

Welcome to the Mandurah Performing Arts Centre

Lots of children and adults can find it hard to talk or sign. A chat board like this can help people who find it hard to talk or sign, some or all of the time. It can also help people who find it hard to understand when other people are talking or signing. To use this board, point to the picture of the word or message you want to say, and talk or sign at the same time if you can. You don't have to point to every word of your message, just as many as you can to get your message across.
