

Holiday Homes Information Sheet

What is a Holiday Home?

A 'Holiday Home' means a dwelling used, or intended to be used, to accommodate occupants for hire or reward (but does not include a 'Bed and Breakfast', 'Chalet Development', 'Guesthouse', 'Rural Tourist Accommodation' or 'Tourist Accommodation', as defined in Schedule 1 to the Local Planning Scheme); This includes homes advertised on websites such as Airbnb, Stayz or similar.

The City recognises Holiday Homes as playing a part in supporting the tourist industry in Mandurah, and encourages well managed Holiday Homes for short-term visitors that will enhance the tourism experience while minimising potential impacts on adjoining residents.

Is Approval Required for Holiday Homes?

No. In June 2015, Council considered a report and resolved to adopt a 'Responsive Action' approach in dealing with complaints that relate specifically to properties that are being operated as Holiday Homes.

Please note the above does not preclude strata conditions being imposed by individual strata councils, having their own restrictions regarding holiday homes.
