Category under which you are nominating the trees – please select one or more of the categories and sub-categories that **best** describes why you think the tree/s is/are significant.

1. Outstanding Visual/Aesthetic Significance

- a. Tree/s - outstanding for its/their height, trunk circumference or canopy spread;
- b. Tree/s - occurring in a prominent location or context;
- c. Tree/s - contributing significantly to the landscape in which it/they grow [including streetscapes, parks, gardens or natural landscapes];
- d. Tree/s - exhibiting an unusual growth form or physical feature, including unusually pruned forms; and
- e. Tree/s that are particularly old or vulnerable.

2. Botanic/Scientific Significance

- a. Tree/s - of an important genetic value that could provide important and valuable propagating stock. This could include specimens that are particularly resistant to disease or climatic extremes or have a particular growth form; and
- b. Tree/s - demonstrating a likelihood of producing information that will help the wider understanding of natural or cultural history by virtue of its use as a research site, teaching site, type locality or benchmark site.

3. Significant Ecological Value

- a. Priority, rare, threatened or locally uncommon species or ecological community;
- b. Indigenous remnant tree/s - predating the urban development in its/their immediate proximity;
- c. Tree/s - making a significant contribution to the integrity of an ecological community, including its role as a seed source or specialised habitat;
- d. A remnant specimen now reduced in range or abundance, which indicates the former extent of the species, particularly range limits;
- e. Tree/s which is/are a significant habitat element for rare, threatened, priority or locally uncommon or common native species;

4. Historical, Commemorative, Cultural or Social Significance

- a. Tree/s associated with public significance or important historical event
- b. Tree/s highly valued by the community or cultural group for reasons of strong religious, spiritual, cultural or other social associations, including trees associated with aboriginal heritage and culture;
- c. Tree/s associated with a heritage listed place and representative of that same historic era; and
- d. Tree/s with local significance are important to the local community and are recognised features of the immediate landscape.
