Things to recycle every time:

Keep recycling clean, dry and unbagged to maximise recovery.

Cans

Paper

**Glass bottles
and jars**

**Plastic bottle
and containers**

**Cardboard
(flattened)**

**Loose items,
rinsed & lids off**

RECYCLING BIN

Things to leave out of your recycling bin:

Contamination in your bin can ruin your recycling.

Textiles

Leftover food

Liquids

Batteries

Soft plastics

Broken glass

CAR BATTERIES / MOTOR OIL

Cleanaway will collect up to **5L of used engine** waste oil and **one car battery** each fortnight.

These items can be placed **next to your recycling bin**.

Please place the items where the driver can clearly see them (not between the rubbish and recycling bins).

Alternatively these items can be taken to the Waste Management Centre free of charge.

BIN COLLECTION SCHEDULE

BIN COLLECTION GUIDELINES

Have you left enough space?

To ensure our waste trucks can empty your bins, there needs to be enough space between them.

- Place your bin on the verge by 6:00am on the day of collection
- Place your bins on the verge so they are at least 0.5m apart to enable easy collection (refer to graphic above)
- Place your bin as close as practicable to the road/kerb in an upright position with the wheels facing the house
- Return bins to your property as soon as possible after collection (no later than 24 hours after collection)
- Avoid overfilling bins to ensure that the lid can close
- Keep weight of the bin below 70kg
- Green lidded rubbish bins are collected weekly and yellow lidded recycling bins are collected fortnightly
