 - (iii) any other information that the Principal requests; and
 - (c) accompanied by a statutory declaration from an authorised employee of the Contractor who is in a position to know the facts declared stating that the Contractor's employees and Subcontractors have been paid all amounts or entitlements payable to or on behalf of them in respect of the Works under the Contract, other than amounts expressly stated in the statutory declaration to be subject to a bona fide dispute.
- 36.2 If the Contractor does not provide the statutory declaration referred to under Clause 36.1 (c), the Principal may pay directly to the Contractor's employees and Subcontractors any amounts they may be owed in connection with the Works. Any amount paid by the Principal under this Clause 36.2 will be a debt owed by the Contractor to the Principal.
- 36.3 Within 10 Business Days after receiving a Progress Claim that complies with Clause 36.1, the Principal must give the Contractor a certificate stating the Principal's opinion of the amounts:
- (a) the Principal owes the Contractor in connection with the Progress Claim (and reasons for any difference); and

- (b) the Contractor owes the Principal in connection with this Contract,
(Payment Certificate).
- 36.4 The Contractor must issue a valid Invoice to the Principal for the amount set out in the Payment Certificate within 5 Business Days of the receipt of the Payment Certificate.
- 36.5 Within 10 Business Days after the Principal receives the Invoice referred to in Clause 36.4, the Principal must pay the Contractor the balance of the amounts, after:
- (a) exercising any right of set-off in accordance with Clause 55; and
 - (b) deducting retention monies in accordance with Clause 37.
- 36.6 If the setting off referred to in Clause 36.5(a) produces a negative balance, then the Contractor must pay that balance to the Principal within 20 Business Days after receiving notice of it.
- 36.7 Neither a Payment Certificate nor any payment is evidence that any work has been carried out satisfactorily. Payment is on account only.
- 36.8 Subject to its rights of set-off under Clause 55, the Principal must pay the Contractor:
- (a) 50% of the aggregated retention monies retained by the Principal under Clause 37 within 20 Business Days after the date of the Completion Certificate; and
 - (b) the remainder of the aggregated retention monies within 20 Business Days of the expiry of the Defects Liability Period (unless there are notified Defects that remain to be rectified, in which case the payment must be made within 20 Business Days after the last notified Defect has been rectified).
- 36.9 Without limiting the Contractor's obligations under Clause 36.1 to submit Progress Claims, within 20 Business Days after each of the following:
- (a) receiving the Completion Certificate; and
 - (b) the expiry of the Defects Liability Period (unless there are notified Defects that remain to be rectified, in which case 20 Business Days after the last notified Defect has been rectified),
- the Contractor must submit a Progress Claim.
- 36.10 The Progress Claim lodged under Clause 36.9 must:
- (a) comply with Clauses 36.1(b) and 36.1(c);
 - (b) subject to Clause 36.1(b)(iii), include the details of all sums then claimed as being due to the Contractor arising out of, or in connection with, this Contract; and
 - (c) include any documents and other information that, in the Principal's reasonable opinion, are necessary to ascertain the amounts the Contractor is owed.
- 36.11 The Principal must treat valid Progress Claims submitted under Clause 36.9 as though they were Progress Claims submitted under Clause 36.1.
- 36.12 Upon the expiration of the periods referred to in Clause 36.4, except as set out in valid Progress Claims submitted in accordance with Clause 36.8:
- (a) the Principal has no liability to the Contractor in connection with this Contract; and
 - (b) the Contractor is absolutely barred from making any claim against the Principal (including by way of proceeding in any court) for any amount whatsoever in connection with this Contract.
- 36.13 Without limiting its other rights and remedies, the Principal may deduct any debts the Contractor owes it from:

- (a) retention monies retained by the Principal under Clause 37; and
- (b) any amounts the Principal must otherwise pay the Contractor in connection with this Contract.

36.14 No deduction in accordance with Clause 36.12 affects the Principal's rights to recover the balance of any debt that remains owing after the deduction.

37 SECURITY AND RETENTION MONEY

37.1 The Principal, as security for the Contractor's performance may deduct as retention monies, 10% of each Progress Claim, until an amount equal to 5% of the Contract Price is retained.

37.2 The Principal may require the Contractor to provide, at any time, in lieu of retention monies, security equal to the value of the Contract Price, or part thereof, as set out in the Contract Specifics, in the form of an unconditional and irrevocable bank undertaking in a form, and from a financial institution, approved by the Principal.

37.3 The Principal may have recourse to any retention money or other form of security held under this Contract at any time it may be entitled to recover from, or be paid by or has a bona fide claim that it is entitled to, the Contractor an amount claimed as due under this Contract or otherwise than under this Contract.

37.4 The Contractor accepts that the Principal may convert into money security provided under this Contract that does not consist of money at any time that it may be entitled to recover from, or be paid by, the Contractor an amount claimed as due and payable under this Contract or otherwise than under this Contract.

37.5 Within 20 Business Days of the date on the Completion Certificate, the Principal must return to the Contractor, 50% of the security retained by the Principal under this Clause 37, after deduction of any withholding or set-off the Principal is entitled to make pursuant to this Contract.

37.6 Within 20 Business Days after the expiration of the Defect Liability Period, the Principal must return to the Contractor any remaining security provided under this Clause 37, after deduction of any withholding or set-off the Principal is entitled to make pursuant to this Contract.

37.7 If the Principal wrongly makes a claim on any security provided by the Contractor under this Contract, the Principal must repay the amount wrongfully claimed plus interest calculated at the rates specified in the Contract Specifics from the day that the claim was made until the day that the money was repaid. The Contractor's entitlement under this Clause 37.7 is the sole entitlement in respect of the wrongful claim.

38 SECURITY OF PAYMENT

38.1 When the Contractor becomes aware that a subcontractor has suspended or is entitled to suspend work or services forming part of the Works under the Security of Payment Act, the Contractor must immediately give the Principal's Representative a copy of any notice under the Security of Payment Act which the Contractor receives from that subcontractor.

38.2 The Contractor acknowledges and agrees that any Payment Certificate or a final Payment Certificate issued by the Principal under this Contract constitutes a payment schedule as defined in and for the purposes of the Security of Payment Act;

38.3 The Parties agree that if they cannot agree on the identity of an adjudicator in relation to a payment dispute for the purposes of the Security of Payment Act, one will be appointed by the West Australian Chapter of the Resolution Institute.

38.4 If a subcontractor to the Contractor suspends any work or services forming part of the Works pursuant to the Security of Payment Act:

- (a) the Contractor will not be entitled to make any claim for an extension of time under clause 23 or for any costs suffered or incurred by the Contractor arising out of or in connections with any delays resulting from the suspension; and
 - (b) the Principal may (in its absolute discretion) pay the subcontractor such money the subject of the suspension that is or may be owing to the subcontractor and any amount so paid by the Principal shall be a debt due from the Contractor to the Principal.
- 38.5 The Contractor shall indemnify the Principal against all costs and claims suffered or incurred by the Principal arising out of:
- (a) a suspension by a subcontractor of work which forms part of the Works under any section of the Security of Payment Act;
 - (b) a failure by the Contractor to comply with its obligations under this clause;
 - (c) the Contractor's making of an adjudication application under the Security of Payment Act which is either withdrawn by the Contractor or decided against the Contractor on jurisdictional grounds.
- 38.6 Nothing in this Contract shall be construed to make any act or omission of the Principal in contravention of the Security of Payment Act (including failure to pay an amount becoming due under the Security of Payment Act) a breach of this Contract (unless the Principal would have been in breach of this Contract had the Security of Payment Act not applied).

39 GOODS AND SERVICES TAX

- 39.1 Any reference in this Clause 38 to a term defined or used in the *A New Tax System (Goods and Services Tax) Act 1999* (Commonwealth) is, unless the context indicates otherwise, a reference to that term as defined or used in that Act.
- 39.2 Unless expressly included, the consideration for any supply made under or in connection with this Contract does not include an amount on account of GST in respect of the supply (**'GST Exclusive Consideration'**) except as provided under this Clause 39.
- 39.3 Any amount referred to in this Contract (other than an amount referred to in Clause 39.8) which is relevant in determining a payment to be made by one of the Parties to the other is, unless indicated otherwise, a reference to that amount expressed on a GST exclusive basis.
- 39.4 To the extent that GST is payable in respect of any supply made by a Party (**'Supplier'**) under or in connection with this Contract, the consideration to be provided under this Contract for that supply (unless it is expressly stated to include GST) is increased by an amount equal to the relevant part of the GST Exclusive Consideration (or its GST exclusive market value if applicable) multiplied by the rate at which GST is imposed in respect of the supply.
- 39.5 The recipient must pay the additional amount payable under Clause 39.4 to the Supplier at the same time as the GST Exclusive Consideration is otherwise required to be provided.
- 39.6 The Supplier must issue a tax invoice to the recipient of the taxable supply at or before the time of payment of the consideration for the supply as increased on account of GST under Clause 39.4 or at such other time as the Parties agree.
- 39.7 Whenever an adjustment event occurs in relation to any taxable supply made under or in connection with this Contract the Supplier must determine the net GST in relation to the supply (taking into account any adjustment) and if the net GST differs from the amount previously paid under Clause 39.5, the amount of the difference must be paid by, refunded to or credited to the recipient, as applicable.

- 39.8 If one of the Parties to this Contract is entitled to be reimbursed or indemnified for a loss, cost, expense or outgoing incurred in connection with this Contract, then the amount of the reimbursement or indemnity payment must first be reduced by an amount equal to any input tax credit to which the Party being reimbursed or indemnified (or its representative member) is entitled in relation to that loss, cost, expense or outgoing and then, if the amount of the payment is consideration or part consideration for a taxable supply, it must be increased on account of GST in accordance with Clause 39.4.

- (a) Notwithstanding any other Clause, neither Party will be liable to the other Party in any circumstances for any Consequential Loss, to the extent permitted by any Law; and

- (a) to the extent practicable, specify in the notice the length of delay to the Date for Completion that will result from the Force Majeure Event; or
 - (b) where it is impracticable to specify the length of delay at the time the notice is delivered, provide the Principal with periodic supplemental notices during the period over which the Force Majeure Event continues.
- 44.2 The Party's obligation to supply the Affected Obligations is suspended for the duration of the actual delay arising out of the Force Majeure Event.
- 44.3 The Parties must use their reasonable endeavours to remove or relieve the Force Majeure Event and to minimise the delay caused by any Force Majeure Event.
- 44.4 If a Force Majeure Event continues to affect the performance of the Works for a continuous period of 180 days, the Principal may terminate this Contract by serving written notice on the Contractor and neither Party has liability to the other except in respect of any event arising prior to the date of this Contract being terminated.

46.2 The Principal may, in its absolute discretion, and without being obliged to give any reasons, terminate this Contract at any time by giving not less than 5 Business Days written notice to the Contractor. The Principal shall pay to the Contractor:

- (a) the amount due to the Contractor evidenced by all unpaid Invoices and approved Progress Claims; and

- (a) subject to Clause 45, fails to duly and punctually observe, perform and comply with any term, condition or stipulation contained or implied in this Contract and such failure continues for a period of 14 days (or such other period as having regard to the circumstances the Principal may reasonably allow) after service on the Contractor of a written notice requiring the Contractor to observe, perform and comply with such term, condition or stipulation or otherwise to remedy the breach;
- (b) (being a corporation) goes into liquidation (except for the purpose of reconstruction or amalgamation of which the Contractor has given the Principal 5 Business Days prior written notice of such reconstruction or amalgamation) or is otherwise dissolved or if a receiver or receiver/manager of the whole or any part of the assets and undertaking of the Contractor is appointed or if the Contractor enters into any composition or scheme of arrangement with its creditors or if an inspector or like official is appointed to examine the affairs of the Contractor or the Contractor enters into voluntary or other external administration;

 - (i) the Contractor, within 5 Business Days of a notice from the Principal advising the Contractor that it has caused a safety issue, condition or any risk to health in breach of this Contract, does not show cause to the Principal's satisfaction why the Principal should not end this Contract,

then the Principal may by notice in writing to the Contractor immediately terminate this Contract whether any Works remain outstanding or not and thereafter the Principal may engage or contract with any person or corporation other than the Contractor to perform and complete this Contract.

46.4 The Principal shall ascertain the amount of all damages and expenses suffered or incurred by the Principal in consequence of any of the matters referred to in Clause

46.3 and all such amounts may be deducted from amounts then owing to the Contractor or may be recovered in court by the Principal.

46.5 When this Contract is terminated, the Contractor must promptly return to the Principal any of the Principal's property or documents which the Principal owns or in which the Principal has an interest.

46.6 The termination of this Contract does not affect:

- (a) any rights of the Parties accrued prior to termination; and
- (b) the rights and obligations of the Parties under this Contract which, expressly or by implication from its nature, are intended to continue after termination.

47 WAIVERS AND AMENDMENTS

47.1 This Contract may only be amended, or its provisions waived, in writing by the Parties.

47.2 No forbearance, delay or indulgence by the Principal in enforcing the provisions of this Contract shall prejudice, restrict or limit the rights of that Party, nor shall any waiver of those rights operate as a waiver of any subsequent breach.

48 ENTIRE AGREEMENT

To the extent permitted by Law, this Contract embodies the entire agreement between the Parties and supersedes all prior conduct, arrangement, agreements, quotation requests, understandings, representations, warranties, promises, statements, or negotiations, express or implied, in respect of the subject matter of this Contract.

This Contract and any dispute arising out of or in connection with it or its subject matter or formation (including non-contractual disputes) shall be governed by, construed and take effect in accordance with the Laws of the State of Western Australia and the Parties hereby irrevocably agree that the courts of the State of Western Australia will have exclusive jurisdiction to settle any dispute that arises out of or in connection with this Contract or its subject matter or formation (including non-contractual disputes).

51 PROPORTIONATE LIABILITY

Each Party agrees that Part 1F of the *Civil Liability Act 2002* (WA), to the extent that the same may be lawfully excluded, is excluded from operation with respect to any Dispute, claim or action brought by one Party against the other Party arising out of or in connection with:

- 53.7 Neither the Principal nor the Contractor will disclose information of the kind mentioned in section 275(1) of the PPSA and the Contractor will not authorise, and will ensure that no other Party authorises, the disclosure of such information. This Clause 53 does not prevent disclosure where such disclosure is required under section 275 of the PPSA because of the operation of section 275(7) of the PPSA.
