Getting to know our Volunteers - Peter

Why did you start volunteering at the Seniors Centre?

In my working days, I traversed the City of Mandurah driving a truck. Volunteering as a bus driver for the Seniors Centre was an easy choice for a volunteer position for me. I believe in volunteering and contributing something to our community.

Can you share one of your favourite moments or memories from your time volunteering here?

I really enjoyed the Karaoke/Sundowner Friday afternoons, having a sing along and catching up with everybody there.

What do you most like about volunteering here?

Just being around the members, staff and the other volunteers. Everyone I have come across is friendly, caring and appreciative of what makes the centre tick.

If you could give one piece of advice or a positive message to our readers, what would it be?

I like the saying "yesterday's history, tomorrow's uncertain, today's the present therefore treat it as a gift". Some we know will never have the fortune to experience the sun rising again.

CITY OF MANDURAH SENIORS Newsletter June 2026

Welcome to the June Newsletter.

We have another great month ahead at the Centre, with plenty of opportunities to connect, enjoy good company, and join in a range of activities.

June begins with the return of our popular live entertainment, as Chris Burnell takes the stage with a mix of classic hits from the '60s through to today—an enjoyable afternoon of music to relax and share together.

We're pleased to continue welcoming Dovidia, offering free one-on-one sessions to assist members with completing their My Aged Care referral. These sessions provide valuable support and guidance, with bookings essential.

Enjoy plenty of fun with our Music Time Machine Trivia Quiz, hosted by the Billy Dower Youth Centre Home School Group. This lively session promises plenty of fun as you connect across generations.

A highlight of the month is our World Elder Abuse Awareness Day event, featuring guest speakers and a panel discussion, along with local support services sharing information and

resources to raise awareness of this important issue.

We also look forward to our Speaker Spotlight with WA Seabird Rescue, where Danny Willmott will share fascinating real-life rescue stories and insights into protecting local wildlife.

As the cooler weather sets in, our UK Winter Warmers lunch offers a cosy opportunity to enjoy classic comfort food, with fish, chips, and mushy peas—perfect for a relaxed catch-up with friends.

We're also pleased to offer a new range of frozen meals at the Centre, including soups for \$6 and meals from \$12. The fridge is located just through the internal foyer doors - please ask reception to assist, and payments can be made at the Admin desk.

Please refer to the events calendar for full details of all activities. We look forward to seeing you at the Centre throughout June.

Warm regards,
Seniors Centre Team
